

DIGITAL DENTISTRY

AND ARTIFICIAL INTELLIGENCE

23 & 24

JUNE 2023

Hôtel LES ORANGERS GARDEN
VILLAS & BUNGALOWS Hammamet

Meet Our Speakers

Dr. Sameh
Chaabane

Dr. Henriette
Lerner

Dr. Marco
Tallarico

Dr. Fernando
Zarone

Dr. Fabrizia
Luongo

Dr. Carlo
Mangano

Pr. Guiseppe
Luongo

Dr. Luca
Solimei

Dr. Islam
Kassem

Dr. Achraf
Souayah

Pr. Umberto
Zanetti

Dr. Nicolas
De-Angelis

Dr. Antonio
Olivo

Dr. Stefano
Negrini

Conference room Lavinia:

9h00 - 9h30 : Opening Ceremony

9h30 - 10h15 : The Digital Patient *(Dr. Sameh Chaabane)*

10h15 - 11h00 : Predictable Workflows for High And Accuracy in Full Arch Implant Rehabilitations. The power of Artificial Intelligence *(Dr. Henriette Lerner)*

11h00 - 11h30 : COFFEE BREAK

11h30 - 12h15: Understanding the advantages of digital dentistry in the fully digital treatment of complex anterior and complete arch cases *(Dr. Marco Tallarico)*

12h15 - 13h00 : New ceramic materials: a rational choice in the digital era *(Dr. Fernando Zarone)*

13h00 - 14h30 : Lunch Break / Restaurant El Mondo

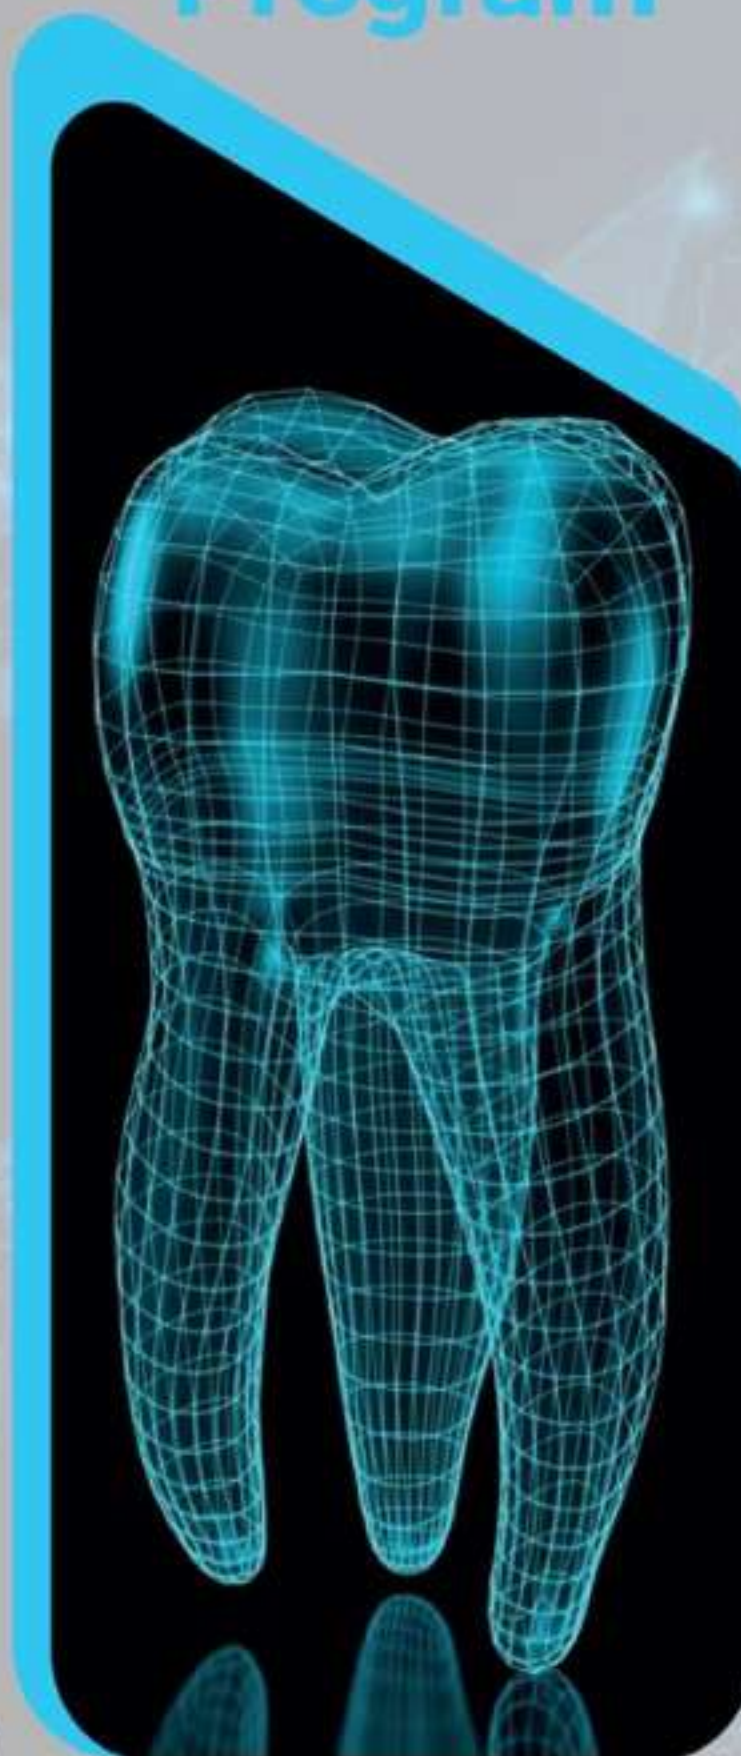

14h30 - 15h15 : The use of the digital technologies for the prevention of the complications in dentistry *(Dr. Fabrizia Luongo)*

15h15 - 16h00 : 3D printing of bone grafts in bone regeneration and titanium dental implants, using artificial intelligence *(Dr. Carlo Mangano)*

16h00 - 16h45 : Static and dynamic computer guided surgery for the treatment of the edentulous jaws *(Prof. Guiseppe Luongo)*

LET'S PARTY

Our Program

**Saturday 24
June 2023**

Conference room Lavinia:

9h30 - 10h15 : Plan of treatment in aesthetic and restorative dentistry: How new technologies can improve the workflow *(Dr. Luca Solimei)*

10h15 - 11h00 : Digital Facial aesthetics surgery: From theory to reality *(Dr. Islam Kassem)*

11h00 - 11h30 : COFFEE BREAK

11h30 - 12h15 : Bone and Soft Tissue dilemma computed aided implant surgery *(Dr. Achraf Souayah)*

12h15 - 13h00 : Treatment of atrophic maxilla using zygomatic implant with digital workflow in planning surgery *(Pr. Umberto Zanetti)*

13h00 - 14h30 : Lunch Break / Restaurant El Mondo

14h30 - 15h15 : Bone Augmentations: Traditional Protocols vs Customized ones. *(Dr. Nicolas De-Angelis)*

15h15 - 16h00 : Replacement of molar teeth by a new approach with post extractive large diameter implants *(Dr. Antonio Olivo)*

16h00 - 16h45 : The digital evolution of subperiosteal implant for the treatment of severe jaws atrophy *(Dr. Stefano Negrini)*
